

Join the Oakridge PTA

The Oakridge PTA includes parents, faculty, staff, grandparents and other community members. Become part of an exciting and important part of the Oakridge community today! Join the PTA to:

- Enhance the learning experience at Oakridge by supporting additional activities, technology, enrichment and other campus improvements that are not funded by the county, such as Mosaic, field trips, and books,
- Have voting privileges on PTA decisions that promote the welfare of our students at home and in school,
- Connect with your school community and stay informed about school curriculum, planning and events.

Your membership and donations are essential to continue bringing PTA initiatives to our children!
