

How to sign in to your
APS Google Drive
account

1. Open the Google Drive App on your iPad. Click on Sign In.

If it is not on your iPad yet, go to the APS App Catalog and download it.

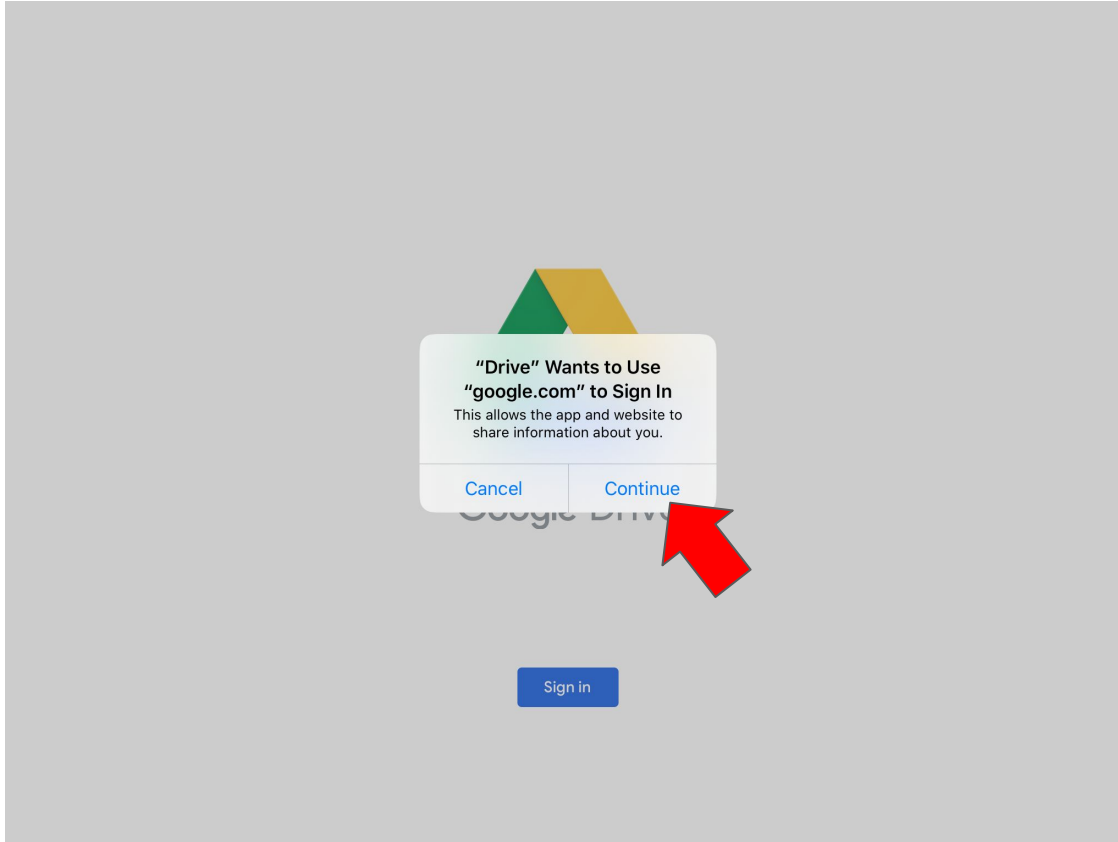

Google Drive

Sign in

2. If you see this screen, click **Continue**.

3. When you see this screen, type in your student ID number followed by @apsva.us (with no spaces).

See the example below.

If my student ID number is 123456, I would type:

123456@apsva.us

Type your ID number, not this fake one!

4. Type in your student ID in the top Username box and your APS password in the bottom box. Then click GO.

The screenshot shows a mobile browser interface for the MyAccess@APS login page. At the top, the address bar displays 'myaccess.apsva.us'. Below the address bar is a blue header with the text 'MyAccess@APS'. The main content area features the Arlington Public Schools logo, which consists of a blue 'A' with a yellow sunburst behind it, followed by the text 'Arlington Public Schools'. Below the logo, the word 'Login' is displayed on the left, and 'Need help?' is on the right. There are two input fields: the top one contains a blacked-out username, and the bottom one contains a password represented by five dots. At the bottom of the form is a dark grey button labeled 'Go' with a right-pointing chevron. A large red arrow points to the 'Go' button. The browser's navigation bar at the very bottom shows back, forward, and share icons.
